Dear Friends,

I am respectfully submitting this letter to request your support for children in our community served by Children's Home Society of Florida's Brevard Division (CHS). In the past four years, our Portraits of Possibilities fundraiser has raised more than \$350,000 for children and families in our community. CHS serves more than 800 children and families each day in Brevard County, and the community's support of our event helps to provide for their safety and protection.

My husband, Robert, and I are excited to announce we will be hosting the Fifth Annual Portraits of Possibilities event on Saturday evening, May 19, 2012, again at our home in Indialantic. We promise a fun-filled and elegant evening that serves a purpose in protecting children in our community from the horrors of abuse and neglect. This elegant event showcases the creative and business communities of Brevard, while sharing this message of hope for abused and neglected children. Highlights of this event are silent and live auctions that we plan to fill with fabulous artwork, gift baskets, jewelry, vacation packages and other items donated by local supporters.

Would you consider donating an item to include in our auction? In return for your generous donation, we will recognize you in signage at the auction area. Your contribution allows us to raise the funds needed to protect children in our community from abuse and neglect. Enclosed is a form you may use to record your donation. Please complete the form and return to Children's Home Society of Florida.

If you have questions or would like additional information, contact Christa Waddy at 321-752-3170 ext 237 or christa.waddy@chsfl.org or Leslie Bardo at 321-752-3170 ext 235 or leslie.bardo@chsfl.org. Thank you for your consideration and support!

Most sincerely,

Maria Seelman
