

Fifth Annual Portraits of Possibilities

May 19, 2012

About Children's Home Society of Florida

Founded in 1902, Children's Home Society of Florida (CHS) is the largest and oldest statewide not-for-profit organization that cares for children in Florida. Initially begun as an orphanage in Jacksonville, CHS has expanded its services and facilities over the past 109 years throughout the state to fulfill the needs of Florida's most vulnerable children and families. With the generous support of community individuals and organizations, CHS serves more than 800 children and families every day in Brevard County. We give support and guidance for new mothers and babies through our Healthy Start program; provide protective supervision to ensure the safety of children who have been removed from their homes due to abuse or neglect; safe shelter for teen girls at the Hacienda Girls Ranch; mental and behavioral health care services for children; and an independent living home to provide young women ages 18-23 who have recently aged out of the foster care system or who are homeless a safe, affordable place to live as they begin their adult lives.

About Portraits of Possibilities

Portraits of Possibilities began in 2008 through the generosity of CHS board member, Maria Seelman. Since that time Maria and her husband, Dr. Robert Seelman, have opened their hearts and their home in support of children and families throughout Brevard County. The first four years of the event were greatly successful, generating more than \$325,000. All funds raised stay right here in our community to protect children from abuse and neglect. Our goal for 2012 is to raise \$115,000 and we need your help!

Portraits of Possibilities 2012 will be a glamorous evening, complete with live entertainment and fabulous auction items. Sponsors and patrons of the event will enjoy gourmet food stations, cocktails, and live demonstrations by local and national artists. Sponsors receive tickets to the event and public recognition for their support.

Over the last four years...

Portraits of Possibilities sponsors have helped hundreds of children heal from abusive backgrounds and find loving, forever families. The support of our sponsors has provided new moms with the resources needed to raise happy and healthy babies and offered teens with no other place to call home a safe haven at the Hacienda Girls Ranch. Sponsors have also funded services to ensure the mental health needs of children and teens are being met and given young women the opportunity to learn to live independently as they begins their adult lives. We hope you'll join the CHS family and help us to continue to provide life-changing gifts to our community's most vulnerable children. Please join us and help make the Fifth Annual Portraits of Possibilities our best yet!
