

### **Kymerly Cook, Executive Director serving Greater Northeast Florida**

Throughout her career, Kymerly Cook, MA, has worked with agencies in both the Department of Child Welfare and Juvenile Justice Services systems. Mrs. Cook brings with her experience in program development, quality management, process mapping and contract management. She leads her staff with personal knowledge of direct care, philanthropy, advocacy and administration within agencies ranging in size and service delivery.

Mrs. Cook is known throughout Northeast Florida for addressing needs in the community and implementing services to help bridge the gap for families. This forward-thinking has led to solutions in educations, housing and case management.

Mrs. Cook is very involved in the First Coast and North Coastal Communities as she serves on the Girl Centered Practice Council for the Delores Barr Weaver Policy Center, United Way Agency Directors Association, First Coast Girls Initiative Leadership Council, Women's Coalition of Northeast Florida Advisory Board, Jacksonville System of Care Initiative Board of Directors, Florida Head Start Association Board of Directors, and the Northeast Florida Community Partnership Schools Executive Leadership Council.

Mrs. Cook earned her bachelor's and master's degrees in guidance and counseling from Lael College and Graduate School in St. Louis.

**We do good.**
