

COMMUNITY PARTNERSHIP SCHOOLS 2017-2018 AT A GLANCE

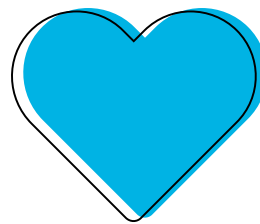

Children's Home Society of Florida is a core partner in more than a dozen Community Partnership Schools throughout the state. A Community Partnership School is the hub of the community, a place focused on student success – in school and beyond. At each Community Partnership School, we strive to increase student success at school, provide access to resources to improve physical and emotional health, increase parental involvement, and empower students to shine.
