

Ernest Hamilton, Regional Executive Director serving Greater Northeast Florida

Ernest Hamilton brings more than two decades of experience in child welfare, child advocacy, mental health resources and non-profit management to CHS.

Overseeing the First Coast, Gainesville and down through Volusia County, Hamilton leads operations and business development, focusing on CHS' core solutions in early childhood, behavioral health, child-welfare and community solutions including Community Partnership Schools.

Hamilton is highly experienced in program operations, program development, community relations, grants and fundraising. Before joining the CHS family, he served as the Executive Director of Kids House of Seminole, Inc. He has also served as Executive Director of Rescue Outreach Mission of Central Florida.

Hamilton holds a Bachelor of Science in Psychology from Bethune Cookman University and a Mini MBA from Rollins College Graduate School of Business Crummer Management Program.

We do good.
