

Sabrina Sampson, Regional Executive Director serving the Treasure Coast

Sabrina Sampson has upheld her commitment to Children's Home Society of Florida for nearly 20 years. Starting her career in child protective investigations, she has front-line experience in keeping Florida's children safe. With a background in criminology and political science, Sampson has worked closely with attorneys and legislators to advocate for the protection and stability of children who need help.

Sampson took leadership in Okeechobee in 2013. Her management includes overseeing 11 different impactful solutions from needs assessments to program development and fundraising. Sampson provides leadership for the development, implementation and coordination of solicitation of private funding from individuals and other sources. As a leader and motivator for the local Board of Directors She is accomplished in her role of implementing the statewide strategic plan. Effectively she manages. Sabrina is well-known throughout Okeechobee for her community outreach and commitment to service.

Sampson earned her Master's Degree in Criminology from Florida State University.
